

Statement of Support for nominating Cllr Wolfers for Chair of Council 2023-24, put forward by Cllr Birch, in their own words, at the Annual Council Meeting on 16th May 2023.

I would like to nominate Laura as Chair of Street Parish Council as I think she has done an exceptional job over the last two years! This will give her the opportunity to finish any projects that she has been involved in.

Also with her experience and hard work if the right person gets to be vice chair this will be invaluable for them to become chair next year
