

Annual Village Meeting of Street

6.30-7.30pm Tuesday 26th March 2024

Room 6, Crispin Community Centre. *Refreshments provided; children welcome!*

All Parish and Town Councils are required to hold an Annual Parish/Village Meeting. The Annual Village Meeting is not a meeting of the Parish Council but hosted by the Parish Council for residents / electors. It provides an opportunity to hear about all the wonderful things that happen in our community and for residents to have their say on anything they consider important for the Village.

Residents may also make suggestions and comment on anything pertinent to the people of Street.
