Calling Hospitality employers...

Hospitality is at the heart of our culture, community and economy in Somerset.

Somerset continues to be one of the UK's most popular visitor destinations, we understand how crucial it is to build and maintain a skilled workforce that can meet the demands of this growing industry. As employers in this vital sector, please join us for an opportunity to discuss your recruitment and training needs and explore how Strode can support you with courses and programmes.

Whether you need an apprentice to support your business growth, want to hire the right talent through our pre-employment training, or aim to upskill your current employees, we are here to help! We can help you recruit for all hospitality roles – including receptionists, waiting staff, bar staff and guest experience. We look forward to collaborating with you to ensure that Somerset's hospitality, travel, and tourism sector continues to thrive.
